

**Regina Beach
Ladies Golf Club**

Hope you are set to enjoy your **SASKATCHEWAN DAY** long weekend!

See below this month's news from the RBLGC President, Vice-President, Pro Shop, and Captains of the 9- and 18-hole leagues:

From the **President – Karen Tyacke** – Once again thank you to all the folks that organized and supported the Mixed & Trilogy Tournaments that were held in July, truly a great participation rate. We look forward to an exciting August where we will be preparing for our club championship.

Included in this newsletter is a [SURVEY](#) --- very short it won't take long to complete we are simply asking for your honest feedback as we as a club executive want to be sure we are doing all that we can to make it an enjoyable league.

From the **Vice-President – Linda Sinclair** – I'm encouraging as many members as possible to make sure you enter this years Club Championship. It will be a great 2 days of golf and each of you will be flighted appropriately by handicap so we will all be playing with someone at the same level of golf. So happy that we will be having a 9-hole champion crowned again! Enjoy your August golf. I look forward to seeing you out there.

From the **Pro Shop – Tressa Bosley** – What a great season thus far! The weather has provided us with many great golfing days and it looks like August will be more of the same.

Just a few reminders while out enjoying your round of golf...

- Remember to check-in at the Pro Shop before your round.
- Please repair your divots on the fairways and ball marks on the greens.
- No sunflower seeds on the fairways, carts or greens.
- Allow faster players to play through.
- Play "ready" golf.
- Minimize time looking for golf balls to help keep the pace of play up.
- Please be aware of our groundskeeping staff. They work hard at keeping the course in good shape for you and that means that sometimes they may be working on the fairways or greens when you are about to hit your ball. When they are on the greens, if they don't wave you through, you may have to wait for a minute until they are finished so we ask for your patience. If they are working on the fairway, please use good judgement when hitting up on them. In either case, if you should hit your ball near them, give them a "Fore!" to let them know a ball is headed their way.
- Aggressive behaviour or any form of verbal or physical abuse towards staff will not be tolerated.

Last but not least remember...The worst day of golf beats the best day of work!

Enjoy the second half of the season!

Message from your captains!

9 Hole Ladies Golf – Rhonda & Donna

July was a busy and exciting month! We started the month with a Butler Putting Barber/Hammond competition. Then on to a FUNtastic and successful Mixed Tournament! Thank you to Linda Jacobs and crew for organizing! Next was our super fun Trilogy Tournament! Thank you so much to Karen Tyacke for organizing and Linda Sinclair for hosting our BBQ after.

We ended the month with our Cancer Fundraiser, PINK DAY! We raised \$1000.00 for Cancer Research in Saskatchewan. All events we very well attended and we truly appreciate your support!

August promises to be another busy and fun month! Hope you can all come out!

See you on the course!

18 Hole Ladies Golf – Karen & Keely

The 18-hole group has had a great turn out of players on Mondays, and not wanting to jinx it, we have not missed a day yet. Everyone has been pretty good as to letting me know in advance when they cannot golf, thanks it makes it a lot easier making up teams, as we don't have enough t times IF everyone did want to golf. We are almost done the 18-hole events for this year; scores are looking good. Hope you all are entering every game you play into the computer; it makes for an accurate handicap.

The Lassie Challenge at Deer Valley is on August 10th, they were looking for more players last Thursday if you are interested, give them a call, I could not find the cut off date info.

There are a couple more tournaments coming up within our club, so please think about participating, they are based on your handicap, you would be playing against your equal competitors.

Club Championship, we are planning on having the club championship tournament this year which will include both 9 and 18 hole divisions and all will be flighted so anyone could win their flight, please consider entering when the time comes, it is a lot of work to put these on , the more who enter the better it will be, thanks
