

JUNE NEWS!

**Regina Beach
Ladies Golf Club**

Hello ladies, happy June, looks like summer is going to officially be here in a few weeks and kids will be running free for the summer 😊

From Linda Sinclair, RBLGC President:

Well we are off to a great start with a total of 84 members 14 who are new to our club this year! I am so glad to see our membership grow and encourage all of you to get a few of your friends to join us. It's never too late to become a member.

Many thanks go out to my 2024 Board of Directors. Our club would not be as successful without all of you.

Please continue to watch the information that comes out to each of you from our membership coordinator and your captains. This is how we keep you informed throughout the season.

I've put my order in for low winds, warm weather and sunshine for the rest of the season. Hopefully someone up there is listening.

Enjoy your golf ladies. Hope to see you all out on the fairways soon!

From Tressa Bosley, Handicap Coordinator:

This year has started off with lots of exciting things happening for our Ladies' Club!

Thank you so much for the fabulous response to ordering Ladies' Golf Clothing! We can all proudly strut our stuff in the new apparel to show our support for our beautiful golf course. We are already a pretty amazing looking group of women but with our new clothing, we will be even more stylish!

The Ladies' Golf Lessons have been well received, so much so that we needed to add another set of lessons! I hope everyone who took the lessons has been able to use some of the tips and tricks they learned to lower their scores!

Finally, as Handicap Coordinator, I encourage everyone to continue to enter their scores into Golf Canada. It is a great way to track how much you have improved over the season and it also helps when we are organizing our tournaments. If you have any questions about how to enter a score, please don't hesitate to reach out to me. I am more than happy to help. Happy Golfing!

ABOUT Saturday Business Ladies Golf: this is intended as an option for family work-life balance to those who work Monday to Friday and unable to play in the Monday or Wednesday leagues. If you indicated this option on registration you will be hearing from Barbra Bell one of our Board Members. All who indicated an interest so far are able to play on regular league days so at this time we will not be organizing a Saturday Business Ladies League. Our Club will continue to reassess the need as the season continues and fingers crossed we can get this going yet when our membership growth warrants.

The _____ Captain's Report

9 Hole Group

Rhonda Navin Captain
Brenda Dougherty Co-Captain

As we roll into June and month #2 of our golf season, we have certainly had our share of weather issues but we shall not be deterred! We were rained out for our first round of the season but the following week was perfect for a Texas Scramble and exchange of "Birdie Juice" which I find is the perfect way to start the season!

Although it was a bit chillier than we would have liked we were able to have a successful "Be My Guest" day. Thank you so much to our members and guests for your participation. Our winner of the guest draw winning a round of golf and a bottle of wine was Margie Bonkowski. The winner of our member draw, winner of serving dish was Cheryl Hanoski.

We have many more days ahead of great golf, fun, prizes and friendship!

If you haven't already, please come out and join us! We have a blast!

Keely Reibling Captain
Kate Erhardt Co-Captain

Good day ladies.

We have our opening month of golf in the books. It has been busy and awesome at the same time. Our weekly participation is fantastic.

Kate has been working hard on getting all the scores into her computer on spread sheets. Thank heavens she is a whiz at that lol.

Our new green box to place score cards in as well as holding the birdie, chip in and eagle book, seems to be working.

We are looking forward to a great season for all.

Golf is a strange game - you yell "fore", shoot a 7 and write down a 5!
