9 Hole News

May started off with a bang for our 9 hole ladies group with 44 golfers out for the first round on May 7th! Although we had to cancel May 21st, we more than made up for it with 51 golfers and 6 guests on the 28th for Be My Guest day. Brenda and Shirley appreciated your patience as we were challenged to get teams drawn and get out on the course on-time. With such large turnouts, we adjusted our start times to 8:30 to ensure we're all off the course in our allotted time.

A number of ladies are unsure how to access Golf Canada and record their scores. Tressa Bosley, our handicap coordinator, will be creating a short video tutorial – stay tuned for her email. Thanks so much to all who record their regular draw scores, whether it

be our Wednesday games here at Regina Beach Golf Club or any other accredited course. We ask that scorekeepers always put each player's first name & last initial on the card as there are multiple members with the same first name.

June will be another fabulous month of Wednesday morning golf. Reminder that our Ronald McDonald **FUN**draiser is scheduled for June 18th - Donations by cheque will receive tax receipts but also **BRING CASH** for various games and contests.

Brenda & Shirley look forward to seeing you all on Wednesdays!

18 Hole Bits & Bites

Hello ladies we are finally underway with the 2025 golf season. Here is some information for the coming season with our 18 hole league.

Club Tournaments:

- July 21st Trilogy
- July 23rd Mixed RB Tournament
- Aug. 13th & 14th Club Championship

Away Tournaments:

Rules & Rules on Course Clarification:

- Winter rules means anywhere on the course except the green you may bump your ball within 1 club length no nearer the hole.
- Hole #9/18 if your ball should land in the pond north of the cart path or on the cart path closet to the pond you will be allowed to drop your ball on the fairway side of the cart path but no nearer the pin.
- Just a reminder Marked hazards are red staked your ball is to be dropped within 2 club lengths of where the ball entered the hazard but no nearer the hole.

- Out of bounds is generally marked by white stakes; it has come to our attention that the south side of hole #3 the stakes are missing. We have determined the tree line will be

considered the out of bounds line. A one stroke penalty is applied, refer to handbook on how an out of bounds ball may be played.
